NUGGETS

(From Our Own Correspondent.)

Golden, B.C., Dec. 3.—

His Honor Judge Leamy presided at a sitting of the County Court yesterday (Friday) afternoon. Wong Tule, a restaurant keeper was charged with wilful perjury. Several witnesses were examined on behalf of the prosecution and Wong Tule for the defence. His Honor found the prisoner not guilty of the offence and dismissed the case. Geo. S. McCarter appeared for the accused and Thos. O'Brien for the Crown.

A. C. Hamilton returned on Saturday last from an extended visit to the west. Mr. Hamilton is accompanied by his bride, formerly Miss B. Buhar, who is well-known in this vicinity. The many friends of Mr. and Mrs. Hamilton extend their congratulations.

The Columbia River Lumber Company's mill closed down for the season last evening. The mill has had a splendid run on account of the open season.

H. St. J. Montgambert, of Windermere, was in town several days recently, leaving for Windermere on Wednesday.

Mr. and Mrs. F. W. Jones have returned from a trip to Vancouver and other coast cities.

## WINDERMERE ITEMS

(From Our Own Correspondent.)

The lake is now frozen over and the few who have ventured on, pronounce the ice in excellent form. A little more frost and it will soon be in good condition for the usual jolly trips to Atholmer.

J. B. Hewson went out on last week's stage for Golden. After a short visit with his mother, Mrs. J. Bulman, he will go on to Revelstoke, where he anticipates being for sometime.

J. C. Pitts and W. Taynten left last week for Dutch creek on a hunting expedition. They will be absent about a week.

H. St. J. Montgambert returned to town Sunday from Golden, where he has been for some days.

Miss Norris returned home Sunday from Wilmer after a very enjoyable visit with Mrs. Evans.

Faith and fighting are often found in the same formation.

It seems that the Russian press is to be allowed freedom and in the future can express opinions just as the press in every "white country" and can report everything as it happens without first asking the permission of the powers that be. The Novoye Vremya is already reported to have had the nerve to say, "The freedom of the press is the rock of a nation's safety." Isn't it really terrible to print such an opinion?

It never seems to strike them that they could find anything of interest right at home, but must look far afield.
